

**coming to town**

Bug Jar | July 18  
07-18-2009

Pam Simmons, Amy Bianco and Dennis Brown are Motorpsychos. The group is known for their pounding metal riffs, dark-spirited punk rock and melodic choruses. Their sound has landed them a spot on the Warped Tour in 2005, 2006 & 2009. They now tour in support of their third CD, *Coming of Rage*.
